Dear Jeff:

The Celebration '83 was a significant and successful addition to the festival program in downtown Indianapolis, and I want to thank you and your associates at WENS for everything that you did to make the event go forward. Everyone had a good time. It seemed to me that the fireworks were well received in our community and I hope this can become an annual tradition.

The City is grateful to WENS for its commitment to Indianapolis and wishes you well. If there is anything that we can do to be of assistance in preparing for Celebration '84, please let me know.

And thanks for inviting me to present a proclamation to you during the party before hand. It was a pleasure to do it.

Best wishes always.

Sincerely yours,

Bill Hudnut

Dear Sir

I express my appreciation for the fireworks display over the Labor Day weekend.

The "ohs" and "ahs" clearly described the happiness you brought to the families of this community.

You are to be commended for this type of wholesome entertainment.

Dear Sirs,

I want to join the many others who will thank you for sponsoring what has to be the most overwhelming and entertaining fireworks display I have ever seen in my life.

The quality and design of the aerials were outstanding. The quantity was unbelievable. I never knew, though, that fireworks could be choreographed to music, but I do believe you did it.

To call the event spectacular seems a bit of an understatement. People stood and cheered and applauded at the finale.

Anyway, thank you again for a truly enjoyable family outing. You certainly gained an untold number of friends for your radio station.
